Books to read before you leave Springmead

Welcome to the Year 5 and 6 section of the Springmead 100 books! We have chosen books for your child's age-group which we think children should have read at home or at school by the time that they leave Springmead. Many of these are from the BookTrust's list of classic children's books written during the last 100 years. Some of the books are part of our English curriculum, and some are personal favourites voted for by the children and teachers. We hope that you enjoy reading and sharing these wonderful books.

_____ has read all of these books!

My favourite book was _____.
